ADDITIONS TO AGENDA:

This Special meeting was called by Saez and Marek to discuss the following items:

Items of Business:

1. Mutual Fire Protection Contract

A motion was made by Everett to approve of the Mutual Fire Protection Contract. Supported by Marek. Motion passed unanimously on a roll call vote.

PUBLIC COMMENT: Bean – Thanked the Mayor, with increased costs many are pursuing this route. As the City discussed Monday, a new truck is now twice as much as originally quoted. This will help support equipment, larger staff and looking forward to serve the community better. Both sides will have a decision to make after the first year.

Fire Fighter Tommy Parker asked when agreement becomes effective – answered December 4th.

Bechaz – Sounds like you agree with this?

Parker – It will be an adjustment but we will figure it out.

Bruce – My offer still stands on hosting informal interviews, let's get that scheduled soon.

Bechaz – Let us know how we can support you in any way.

Fred Guenther – There was a concern for service and that is why you came to see if the City was interested, I thank you, the City thanks you and we will be a good team.
